Dear Friend,

Your support for the Society of St. Vincent de Paul is more important than ever. Our neighbors struggle with the reality of poverty, compounded this year by the pandemic that has affected all our lives. Thank you for your generosity in time, talent, prayer, and treasure that helps us conduct our mission of service to the poor.

Already this year, we have provided care in record-breaking numbers to people throughout the diocese. We give food, medicine, housing, utility assistance, household goods, clothing, and more. With the need for social distance, we learned to offer personal service via drive-thru, phone, or video. Each person in need also receives a corresponding message of compassion and hope. When you support the Society, the thanks we receive are really meant for you.

Please help us continue to show God's love through your generous support.

Now More Than Ever Our Neighbors Need You

In this pandemic year, the Society of St. Vincent de Paul in the Madison Diocese responded to ever-growing requests for help, giving away nearly \$5.6 million in food, furniture, household goods, professional services, medication and direct aid.

Will you help your neighbor in need?

Find your own style at bargain prices at a neighborhood St. Vinny's Thrift Store. And donate gently used goods to be sold at the stores.

Shopping and donating serve to raise funds to help neighbors in the Madison Diocese. Our neighbors in need can redeem vouchers at the stores for furniture, clothing, and household goods.

St. Vincent de Paul Membership

In 36 conferences throughout the diocese, more than 1,000 members join together in friendship to grow spiritually by providing person-to-person services to neighbors in need. Traditional home visits may have become phone visits this year, but members have not wavered in their commitment to share God's love by embracing works of charity and justice, seeing the face of Christ in each person served.
