## What is Care Café?

Cafe Café is St. Vincent de Paul – Madison’s annual fundraising breakfast. At the event, we tell the ongoing story of our charitable mission, share recent client successes and give information about our service programs. Whether sharing a breakfast in-person or sharing virtual coffee, this event is crucial to sustain our food pantry, pharmacy, men’s housing program and other services helping people in Dane County. We encourage every attendee to consider how they can best financially support us.

## Why you should join us:

- **Change lives:** Your support will assist more than 80,000 individuals and families in need this year.
- **Share your support:** Your sponsorship will be recognized online, in print materials and local advertising.
- **Join local changemakers:** You have the chance to be part of an event that has traditionally drawn more than 400 people. Over the past two years our virtual events have reached nearly 3,000 people on social media!
- **Learn about a local nonprofit helping local people:** Our events always highlight our resources, feature a distinguished keynote speaker and share heartwarming client success stories.
