

2024 Impact Report

October 1st, 2023 - September 30th, 2024

Food Pantry

Thanks to you, no family needing food, household cleaning supplies, personal-care items, diapers or pet food was turned away from the pantry.

37,172

families received food; a 19% increase from last year

329

households served on the single busiest pantry day

2,160

people ordered food online and received it delivered to their home through a partnership with Doordash

54

different produce varieties were planted, grown and harvested from Lacy Garden

Jeremy and Marcella got milk, produce and bread from the pantry plus diapers to care for their kids.

Charitable Pharmacy

You helped uninsured adult patients heal with free prescription medicines from the pharmacy.

461

patients were served; 34% were new patients

7,680

prescriptions filled

\$757,452

retail value of dispensed medications

*"The pharmacy has been incredible. I simply can't afford the medications I need, but they always step in. Whenever I have a question about my medicine, they're there to help. They know exactly what I'm going through."
- Lisa, pharmacy patient*

118,144
People Helped

With you, Dane County families received help with basic essentials and long-term support to thrive.

Clothing & Furniture

Through clothing and furniture vouchers, families picked out goods from St. Vinny's Thrift Stores, at no cost to them. Plus, air beds and portable cribs provided a good night's sleep.

4,806

adults and kids got clothing vouchers to dress with dignity

22%

more families received furniture vouchers than last year

2,708

families got air beds, cribs and / or bedding and blankets

Vinny's Lockers

127

people struggling with homelessness stored personal belongings in secure storage

Microlending

Neighbors in need got small dollar, low-interest loans to help with one-time emergency expenses. Loans were offered at low interest rates through local banks where borrowers could get financial education.

230

loan requests received

\$1,734

average loan amount

Top three needs for microloans:

paying a vehicle expense, housing assistance, or paying off a predatory loan

*"To see everyone working together for that one common goal was amazing."
- Terri, microloan recipient*

St. Elizabeth Ann Seton Program

You provided hope and financial support to newly housed single adult families. In this program, families created goals to bring stability to their lives and prevent future homelessness.

Case managers helped with things like:

finding reliable transportation, applying for jobs, paying childcare enrollment fees and delivering food

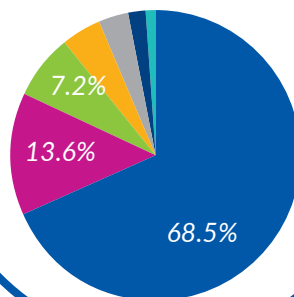

21

families received help; 38 children

\$5,848,625

Value of basic essentials and long-term support provided to neighbors in need last year.

- Food: \$4,007,375
- Medicine: \$793,304
- Clothing: \$422,473
- Furniture: \$255,867
- Other: \$193,535

Volunteer Service

St. Vincent de Paul – Madison volunteers provided food, gave medicines to uninsured adults, visited families in their homes and more!

708

total volunteers including 57 corporate groups and 50 students

1,238

home visits by Vincentian members to provide help and a listening ear

670

volunteer hours contributed to help neighbors in need each week

539

kids got Christmas gifts through volunteer-run Little Drummer toy distribution

*"I volunteer at St. Vincent de Paul because I like having a positive influence in the community where I live. It is truly neighbors helping neighbors."
- Karen, food pantry volunteer*
